(Shortened course due to roadworks – approx. 12.5 miles)

Sunday 19th February 2023

Promoted for and on behalf of Cycling Time Trials  
under their Rules and Regulations

## **Please be aware of the regulations for competitors**

**Hard shell helmets are mandatory for all riders**

**Both front and rear lights are required for all bikes.** Front lights must be white but can be flashing or constant. Rear lights must be red but can be flashing or constant. Both lights must be in a position clearly visible to other road users.

## **Event Headquarters**

**Falfield Village Hall (GL12 8DH) - available from 8.00.**

From the M5, exit at junction 14 (SP Thornbury), turn left at A38 towards Bristol. Falfield Village Hall is almost immediately on the right, close to the Huntsman Inn and approximately 1.5 miles south of the START.

## **Parking**

There is limited parking at the Village Hall but the **Huntsman Inn** have kindly allowed competitors to use their car park. We have been asked to emphasise that they are not liable for any damage. They have also requested that competitors park furthest away from the Inn, near the car park entrance. Sunday lunchtime is a busy time for the pub and the landlord has specifically requested that competitors **vacate the car park by 11.45**. Please respect this request as otherwise we may not be able to use the car park in the future. If it means moving your car at some point, please do so and find somewhere else to park.

Please also avoid parking directly in front of the church. The Parish Council has also specifically requested that riders **do not park on the grass verges outside the hall**. Please respect their wishes otherwise we could lose the venue for future events.

## **Course Details**

Unfortunately, due to rolling roadworks on the Berkeley loop, we are not able to use the U17 as it currently stands. The revised course is simply a shortened version solely using the A38 but still with the original start/finish points. My apologies to all riders but at least you have an opportunity for an early season ride.

**To the START.** Turn LEFT from the HQ and follow the A38 north through Stone to Woodford. The START is at the north end of the bus stop at Woodford (GR 690958).

With great care, head north on the on the A38 to Slimbridge roundabout (**M**). Circle roundabout and continue south on the A38 past the start to finish at the southern end of Stone village. The finish is at the second drain cover past Catherine Villa (white house next to garage) (GR684949) (approx. 12.5 miles).

**Please shout your number at the FINISH.**

## **WTTA Hardriders**

The solo event is part of the 2023 Hardriders series.

## Safety

The Police have requested that inconvenience to the public and other road users be kept to a minimum. Riders are asked to take great care and, in particular, note the following points:

- To avoid congestion at the start please queue in single file.
- Please do not make 'U' turns at either the start or finish.
- Please avoid making any other unnecessary 'U' turns on the A38 and adjoining roads.
- Please be considerate to other road users including horses and riders.
- Riders are asked to note that the road narrows to a greater extent on the A38 northbound (immediately after the Berkeley Road junction). The road also narrows on the approach to the car auctions (about ½ mile north of the Berkeley Road junction).
- Please take care through Newport with vehicles entering driveways, lay-bys, etc.
- Please be aware of the surroundings and other road users at the finish.
- With the condition of many roads across the country a concern, please be extra careful.

Dangerous riding will result in disqualification. **Please keep your head up for a safe ride. All riders must wear a protective hard-shell helmet. Working front and rear light(s)**, either flashing or constant, must be fitted to the bike in a position visible to following road users and is active whilst the machine is in use.

## Numbers

**Race numbers will be available from the HQ.** Allow 10 minutes to reach the START. Please do not wear cycling shoes in the main hall.

## Signing on and signing out

All competitors are required to sign on before the start and to sign out on their return to the HQ. The signing-on/out sheets will be in the HQ.

## Competitors clothing for the 2 Up TT

To assist the timekeepers and other officials, riders from each team should wear similar jerseys. This is particularly important for riders in composite teams.
