Chris Deane, Brian Turner

## **HEADQUARTERS**

Dick Willows Cider Barn, Orchard Fields, Claverton Hill, Claverton, Bath BA2 7BB. The path down to the barn is unsurfaced. It's a good idea to walk down to the sign on in non-riding shoes. It's accessible from Bath through the University campus, or from the A36.

## **PARKING**

Please park in the American Museum overflow car park which is a little further up Claverton Hill. The car park will be signposted and marshalled. Please do not park on the road itself or in the University car parks

## **COURSE: UH50. NORTH ROAD, BATH**

Start at King Edward's School lower entrance. Proceed for 1.2km towards the university and turn right into Quarry Lane. The finish is on the corner of North Road and Quarry Lane. Proceed into Quarry Lane to warm down. This is a new course, so there are no current course records.

North Road is not busy. In theory the road is double yellow all the way up the climb side, but many of the markings are hidden. There are unlikely to be any parked cars on the climb side of the road, but please pay attention to the course. If we know of parked cars on the course we will relay the information to the starters.

On the corner at around the half way point is the entrance to Bath Golf Club. Be aware of the possibility of cars turning at that point.

## **GETTING TO THE START.**

The start is 3km from the event HQ (flat and downhill), so please allow enough time to reach the start before your allotted start time.

From the event HQ, turn left onto The Avenue and left again at the T Junction onto Norwood Avenue. At the T Junction at the University entrance turn right onto Claverton Down Road, and follow the road as it turns into Bathwick Hill. Turn right onto Cleveland Walk. At the T Junction turn left on North Road to reach the start.

Please avoid riding down the course, especially if the hillclimb is in progress.

## **WARM UP**

Please turn right from HQ and use Claverton Hill to warm up. If you're also doing the VC Walcot hillclimb in the afternoon, this is the course for that event.

## **FINISH**

Please leave the finish area as soon as possible. Times will be relayed back to HQ. You can ride through the University campus back to the car park and event headquarters.

**IN THE INTERESTS OF YOUR OWN SAFETY, Cycling Time Trials and the event promoters strongly advise you to wear a HARD SHELL HELMET that meets an internationally accepted safety standard. In accordance with Regulation 15 ALL COMPETITORS UNDER AGE 18 must wear Protective Helmets. It is recommended that a working rear light, either flashing or constant, is fitted to the machine in a position visible to following road users and is active whilst the machine is in use.**
