EDINBURGH ROAD CLUB PRESENTS

ARTHUR'S SEAT HILL CLIMB - CTT SCOTTISH CHAMPS

I hope you are looking forward to a short and sharp effort up Arthur's Seat. For those coming from further afield, the climb is a "favourite" for cyclists training in Edinburgh. This is your chance to test yourself in the same conditions as all the other competitors.

A CLOSED CLOSED EVENT*

* It's unlikely, but there might be a need for park rangers, emergency vehicles, or contractors. Event marshals will alert you if this is the case.

As is it a closed road, we are able to co-host a Youth Event. The youths will be going off after the junior/senior/vet riders. Why not hang around and cheers the kids now because in a few years they will be kick your head in at other races!

Safety and Health

- As a CTT event **front and rear lights must be on your bike** and switched on before the start. I am asking all riders to **wear helmets** also. If you aren't going fast enough to need a helmet if you fell off, then I would query why you are racing. Plus you need to ride back down to the start and it is a fast descent.
- The park is a popular place on Sundays for walkers, dogs and other cyclists. Please be considerate in your riding and look out for the safety of others. When descending down from the top, competitors must continue around the hill. Please take care and keep aware of other park users.
- Please **don't turn up if you have COVID symptoms** or are otherwise ill. We all know the symptoms. If you feel a bit ropery, you are probably not going to PB or win anyway.

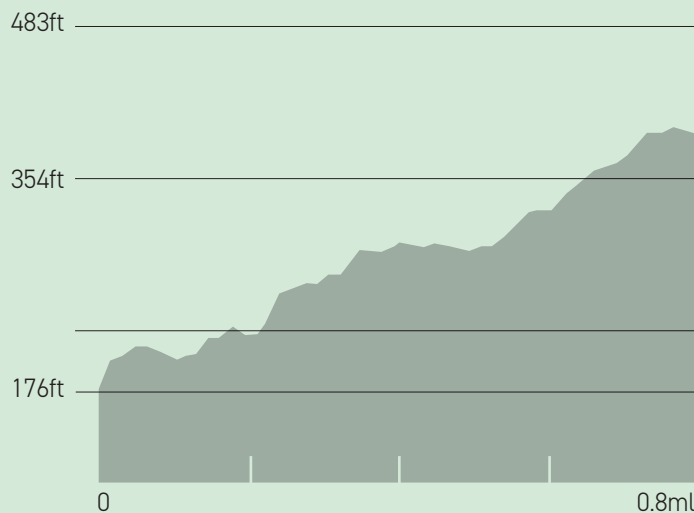

Edinburgh RC

RETURNING TO THE START

The climb is a one way road, and is also too narrow to ride down while others are racing up. As such, you will need to continue around road and continue back to the start. The route is shown below and is also available here:

<https://www.komoot.com/tour/1880258637>

YOUTHS AND PARENTS

We have 12 entries for the Youth Event and I am suggesting a parents and youths peloton is gathered and everyone can come down together. We will have marshals on the day who will also help with this.

Edinburgh RC

NOTES FOR COMPETITORS:

Getting there

For those that are local, please ride to the start as parking will be limited. Queen's Drive will be closed from Holyrood to the east of the start of the climb - see map below, with the road closed between the blue line. Cyclists will be able to pass through or use the cycle path south of the road.

Start

Please be at your start time a minute or two before it goes off, and not more than three minutes to keep people distanced. The start will be just after the closed barrier.

Please arrive in plenty of time to sign on and pin on your number.

Start

The finish continues beyond the right hand corner as there is still a drag uphill - keep pushing all the way. The road is one way - continue to ride around Arthur's Seat to return back to the start.

Youth riders - there will be a convoy of riders led by a parent to descend down. After you race, please wait at the top, after the finish,

Prizes

Prizes will be awarded in the following categories.

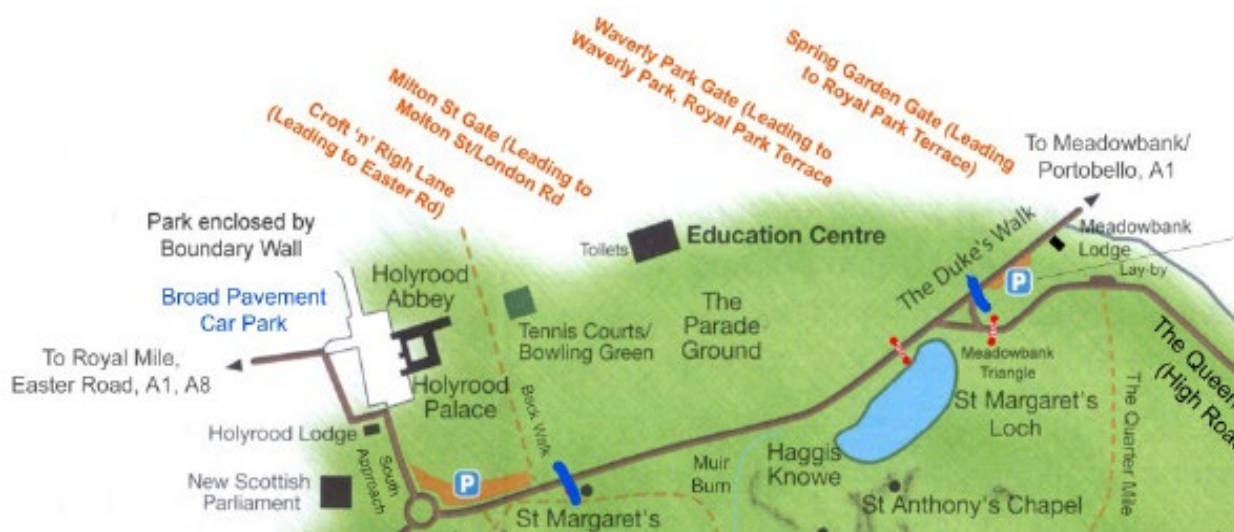

Categories	Prize
Overall	£50
Junior open	£20
Vets open	£20
Junior Female	£20
Senior Female	£50
Vets Female	£20
Youth Open	£20
Youth Female	£20

Results

Prizes will be awarded in the following categories. Results will be announced after the race, back at the sign-on at the bottom of the climb. As noted above, please take care when descending back to the bottom. You will need to wait for the timekeeper to ride down anyway, so no need to rush.

Contact

If you have any issues leading up to the race, email vp@edinburghrc.co.uk, or on the day, call **0797 024 0609**.
