ESCA 10m Time Trial – Saturday 7th September 2024 – G10/87

Held for and on behalf of **Cycling Time Trials** under its rules and regulations

Riders Be Aware

Generally the road is in good repair however there are some sections where care must be taken:

Approximately 400 yards after the start the left hand side of the road has a rough section and some holes.

On the return leg, at about mile 7.5 there are a number of holes on the left hand side of the road including some long cracks that have been partially filled in.

Signing Out

Please note that all competitors are required personally to sign the signing out sheet when returning their number. In accordance with CTT regulations, failure to do so will result in the competitor being recorded as DNF.

Please pay attention to the following CTT regulations/recommendations

- **Both Front and Rear Lights must be fitted and working** CTT Regulations now require that "No competitor shall be permitted to start either a Type A or Type B event unless such competitor has affixed to the front of their machine a working front white light and to the rear of their machine a working rear red light; either flashing or constant, that are illuminated and in a position that is clearly visible to other road users. **NOTE THIS WAS A NEW REGULATION FOR 2022**
- **Helmets** CTT regulations require the compulsory use of helmets for the under 18s. In the interests of your own safety, Cycling Time Trials and the event promoters strongly advise all competitors to wear a hard/soft shell helmet that meets internationally accepted safety standards.
- **Parental Consent Forms** Under 18 age entries must download, complete and have a signed parental consent in order to compete. The completed form must be brought along to the signing on along with your lights and helmet. No lights, no helmet, no parental consent, no ride.
- **Warming up** Competitors are requested not to warm up on the course after the first rider has started.
- **Competitors' Vehicles** No vehicles, except those of timekeepers and event officials, shall be parked in the vicinity of the start or finish.
- **Official Observers** Official observers will be stationed around the course.
- **Results** No times will be given out at the finish.
- **Audio Equipment** Competitors must not use ANY audio equipment except prescribed hearing aids. A competitor in breach of this regulation shall be disqualified. Competitors must not use a mobile phone while mounted on their machines.
- **Race Numbers** The race number is made of fluorescent material which is an important safety feature. It is essential that it is placed correctly for maximum visibility to other road users and of course the timekeepers. No time may be recorded if number is not correctly positioned.
- **Signing Out** Please note competitors must return to the event HQ either during the event or within a reasonable time after the last rider has finished the event and must return their race number and sign the official signing out sheet. A rider who fails to so sign the official signing out sheet shall be recorded as DNF.
