

Thank you for entering the Gloucester City Cycling Club - Autumn 25 TT. We hope you have a safe and enjoyable race.

The following details are important for the event success so I would be grateful if you could read through thoroughly and let me know if you have any further queries.

There are currently roadworks in three places on the course planned by Severn Trent for next week. We are in contact with them and will make a decision on the 8th September if the event has to be cancelled if they are likely remain for race day.
