Safety guidance

Please observe the Highway Code. Ride with your **HEAD UP** at all times. Do not **WHITE LINE**, If you are seen doing this you will be disqualified. Regulations provide that all competitors must observe the law of the land relating to road use and any riders found riding dangerously must expect to be liable to strict disciplinary action. You must wear a **helmet** and have working **front and rear lights**.

At the start, competitors must wait in single file at least 4 metres from the timekeeper. No U-Turns, failure to comply could result in disqualification. If a competitor gets caught by another one the Regulations require the overtaken rider to fall back to a distance behind the other one, at least 50 metres is required. Once the event has started can all riders warm up in a clockwise direction. Turn right from HQ and at T-Junction turn.

The whole of the course uses unclassified and unnamed roads around the outside perimeter of the former RAF St Eval Airfield. The course starts at a point opposite concrete block wall, which is left of entrance lane. It then continues T-Junction, turn left with caution (Marshalled). Continue to next left turn signed St Eval (Marshalled). Continue to start point, **3.7 miles**.

Repeat lap 1, **7.4 miles** end of lap 2. On lap 3 Don't turn off left signed St Eval, continue around right hand bend care (Marshalled). Direction St Columb Major to finish opposite gated field **10.01 miles**. Signage will be placed around the course to warn other road users of the event and will be well marshalled.
