Thanks for entering the inaugural Sir William Hill Climb! Though the event has run in some form before, this is the first time a CTT event has been run on the course.

The event is being run in tandem with the Grindleford Goat sportive, which takes place the day after the hill climb. We're raising funds for the Grindleford Goat Charity, so there will be no prizes – apart from one amazing spot prize of a night's stay at the Bike and Boot hotel, near Hope (<https://www.bikeandboot.com/>)! We hope you'll stick around at the pub after the event to celebrate the winners of each category, and to see if you win the spot prize – if your number is drawn and you're not there, another number will be drawn!

Further details about the event and about the Grindleford Goat sportive are here:

Course

Course: Start on Sir William Hill Road at Adlington Lane, opposite Fire Hydrant sign near wall and FH cover in road. Row of 3 cottages stand back off road above. Proceed uphill, passing Bank Top Lane (no through road) on left and then lane to Leam on right-hand side. Finish at large stone gatepost on right, near wooden fingerpost 'Public FP' as road takes a sharp left-hand bend towards Eyam. Rough track, continuation of Sir William Hill Road is forward.

Officials

Time Keepers	John Clarke & Phil Minto
Marshalls and Helpers	Grindleford villagers and members of Lifting Gear Products
Event Headquarters	Sir William Hotel, Sir William Hill Road, Grindleford, Hope Valley. S32 2HS

HQ and Parking

The HQ is at the Sir William Hotel (which is mainly a pub), right at the bottom of the climb. Numbers will be available at the HQ. There is parking available at the pub, and also at the cricket pavilion (entrance at the traffic lights in the middle of the village). Please park considerately. **Please don't park on Sir William Hill during the event** – although there is parking available at the beginning of the rough road continuation of Sir William Hill just after the finish line.

Please note

Keep your head up while riding and obey the rules of the road. Remember that marshals are there to warn traffic, not to stop it. Take responsibility for your own riding at all times. Descend carefully. No warming up on the course once the event has begun. No U turns within sight of the start or finish.

REMEMBER TO SIGN OFF AFTER YOU HAVE FINISHED, WHEN YOU RETURN YOUR NUMBER. It's a DQ if you don't!

Cycling Time Trials require that you wear a HARD SHELL HELMET that meets approved safety standards.

Also, YOUR CYCLE MUST HAVE A WORKING FRONT and REAR LIGHT FITTED, NO LIGHTS NO RIDE!

If in doubt, see CTT regs 14,15 and 16. These regulations will apply on the day.

This event may be subject to doping control. Race numbers required for doping control will be displayed at the HQ.

And finally...

Unfortunately (for me), one of my best friends decided to get married on the same day as the Sir William Hill Climb! So I (Nick) won't be in Grindleford on the day of the race. Thanks very much for ex-Mam Nick Course Record holder Chris Dyke for agreeing to stand in for me. Have a great ride and thanks for entering – I hope to see you all at other hill climbs as the season progresses.
