In the interests of your own safety

Fire Station at Holes Bay roundabout: Please note that the Poole fire station is situated with access on to the Holes Bay roundabout controlled by emergency traffic lights. In the unlikely event of these lights being activated riders **MUST** comply. Should any rider fail to do so he/she will be disqualified and South DC will be advised.

Riders are advised to take particular care at the Tower Park roundabout, where there is a right turn and potentially fast traffic approaching from the right.

Cycling Time Trials and the event promoters strongly advise you to wear a hard shell helmet that meets an internationally accepted safety standard.

It is recommended that a working rear light, either flashing or constant, is fitted in a position visible to following road users and is active whilst cycling.
