No stopping at the finish, please continue straight back towards the HQ

Numbers will be available as usual at the event HQ prior to the event from 1pm. Keep your heads up while riding and obey the rules of the road. Remember that marshals are not there to stop the traffic or advise you whether it is clear. Take responsibility for your own riding at all times. The road surface on the course is poor in places with drain covers. There are also a couple of junctions off to the side of the main road so keep aware of the traffic around you.

Parking at HQ is to the rear of the building and on the grassed area adjacent - please do not park at the front near the end of the driveway, other people are also using the building.

IN THE INTERESTS OF YOUR OWN SAFETY

Please ensure you read the risk assessment posted at sign on.
It is now compulsory that all riders wear a hard-shell helmet that meets an internationally accepted safety standard.

It is now compulsory that both a **WORKING FRONT AND REAR LIGHT**, either flashing or constant, is fitted to the machine in a position clearly visible to following road users and is active whilst the machine is in use.
