### Competitor Notes:

**Due to Covid restrictions, we are not able to use the main indoor area at the Village Hall; however, the toilet facilities will be available, with limits on the number that may use them simultaneously.**

**Race numbers will be available at the entrance to the HQ; please return numbers to HQ when you sign out.**

**U-turns are not permitted within sight of the start or finish points.**

**No vehicles, except those of the timekeepers, to be parked at the start or finish.**

**All breaches of local regulations shall be reported in writing to the London West District Secretary**

**Riders must not cross the central reservation unless using one of the specific breaks in the reservation for that purpose**

**No bicycles or shoes with plates or cleats to be taken into the hall; under Covid restrictions we shouldn't be in there anyhow.**

**No parking in Hole Lane adjacent to the hall**

**There are two lay-bys that can be used for car parking, sited 300 yards and approximately 1000 yards beyond the finish on the same side. However, please be aware that the owners of "The Bull" pub will clamp your car if you leave it in their car park.**

**No times will be given at the finish.**

**At the request of Bentley Parish Council, please use the Village Hall car park to the maximum and then overspill along the right-hand side of River Road, heading south towards Bentley Station. Park on the Grass verge, and then onto the bridge over the A31. However, please do not obstruct the pavement or the Bus Stop. Please do not park on the left-hand side of the road and block or obstruct the entrance to Doctors Field. Residents have difficulty in seeing oncoming traffic. Also, please do not park on Hole Lane, on any of the residential roads, or along London Road as such parking very quickly snarls up the traffic in the village. Always ensure sightlines near the crossroads are not obstructed. There have been several accidents here.**

**There have been complaints of cyclists shouting from the A31 bridge to other competitors. Please don't do this; we value our use of the hall.**

**Course: H10/8 Bentley - Holybourne - 10 miles (OS Landranger Map 186)**

OS Ref 796442 -- **START** at a point in the lead out onto the A31 from the lay-by on the south side at the commencement of the Bentley by-pass, approximately 800 yards west of The Bull public house on the north side of the A31 and 5 yards beyond the last but one drain grating and 25 yards short of the large road direction sign marked "Bentley ½ m"

OS Ref 736403 -- Proceed (Care) to join the A31 and continue to go westwards along the Bentley by-pass through Froyle to the Holybourne Roundabout (Turn) (4.702 miles)

OS Ref 802443 -- Circle the Roundabout (M1, M2, M3) (Check) and take the third exit back onto the A31 to retrace, going through Froyle and along the Bentley by-pass to a point 10 yards beyond the concrete end of a water culvert on the north side and 63 yards short of the Gravel Hill minor road cross roads and 163 yards short of "The Bull" to where **FINISH** (The distance between start and finish is 697 yards) (10.000 miles)

**CROSSING THE A31:** This major road is a dual carriageway

- a) Riders must only cross over to the other side of the A31 by using one of the breaks in the central reservation. **There are no gaps between "the Bull" and "The Hen and Chicken" at Froyle (approx 3 miles).**
- b) To reach the start from the HQ, turn right out of the HQ, at the crossroads turn left, continue and join the A31. Move to the right hand lane after 850 yards (**OBSERVE TRAFFIC AND RIDERS FROM BEHIND**) and cross over to the south side of the A31 at Gravel Hill road junction and continue for 760 yards to the lay by start point. Allow sufficient time to reach the start.
- c) After finishing, riders must not stop but continue to one of the central breaks, cross over with great care and go westwards and along the Bentley by-pass, past the start point, (**give way to riders who may be starting**) to fork left onto the slip road sign posted "Bentley". Go right at the junction, cross over the A31, straight over at the crossroads in the centre of Bentley and retrace to the HQ. **NUMBERS WILL BE AT THE HEADQUARTERS** - collect after signing on - return when signing off.

Any breaches of the DC Regulations or complaints of non co-operation of any person associated with the event regarding parking, noise, etc, reaching the event secretary will result in that person being reported to the London West DC.

In the interests of your own safety Cycling Time Trials and the event promoter advise strongly you wear a **HARD SHELL HELMET** that meets an internationally accepted safety standard in accordance with Regulation 15.

**\*All JUNIOR competitors MUST wear protective Hard Shell Helmets\***

**Under CTT regulations, all competitors must ensure that they start the event with an operating red rear light, either flashing or constant, fitted to**
