CTT Regulations require the compulsory use of a helmet for the under 18s. In the interests of your own safety, Cycling Time Trials and the event promoters strongly advise all competitors to wear a hard/soft shell helmet that meets internationally accepted safety standards.

Riders under the age of 18 are required to provide a completed Parental Consent form before being allowed to sign on and compete.

It is recommended that a working rear light, either flashing or constant, is fitted to your cycle, in a position clearly visible to following road users and is active during your ride.

It is a London South District Regulation that no vehicles, except those of the Timekeepers and Event Officials, shall be parked in the vicinity of the start and finish areas.
