Local regulations

SAFETY NOTICE

Do not warm up on the course, and do refrain from riding up the course during the event. We advise you also use caution at the start and finish of the course.

In the interests of your own safety, Cycling Time Trials advise you to wear a hard shell helmet that meets the internationally accepted safety standard. It is also recommended that a working rear light, either flashing or constant, is fitted to the machine in a position visible to following road users, and is active whilst the machine is in use.

NO U TURNS

Riders must proceed in the same direction after finishing, and turn off the B3134 at a junction to turn around.

Do not attempt u turns within sight of the start or finish. For the safety of all riders and other road users, any riders u turning will be disqualified from the event.

NO CONGREGATING NEAR THE FINISH

In order to run the event safely, and with the support of neighbouring residents, we made an agreement with a local resident to keep access to their drive and the neighbouring layby clear during the morning of the event.

Here is the drive and layby to be left clear at all times <https://goo.gl/maps/J89iHZzFLLu>. There will be 'No parking' signs and a marshal in place. Any rider, supporter, or rider associated with a supporter obstructing the area will be asked to move and will risk disqualification.

IMPORTANT

For those who haven't ridden an open event such as this before please note rule 16 of the CTT regs regarding clothing www.cyclingtimetrials.org.uk/articles/view/11. Any rider not adhering to the rule will not be able to start the event.
