Local regulations

Riders wishing to 'warm up' prior to their start time should ride S along the A59 towards Rufford (approx 3 miles). No warming up along the course later than 15 minutes before the start of the event. Riders must not make U turns in the main road in the vicinity of the Start or Finish

Cycling Time Trials and the event secretary strongly advise the use of a hard shell helmet. (compulsory for junior riders)

All competitors are strongly advised to have a flashing red light fitted to the rear of their machine. A flashing front light is also advised as it makes riders easier to spot by marshals.

All riders must shout their number at the finish, and if requested to do so by course marshals.

All riders are personally required to 'sign out' when returning their number to the event HQ. Failure to do so will result in the competitor being recorded as a DNF

In the event of a competitor suffering a 'mechanical' or other problem they must inform the nearest marshal. Marshals are in radio contact with the timekeepers and event HQ.
