Awards/prizes

As we are not able to have a prize giving, this year, we have decided instead to award cash prizes to the fastest three competitors in the female category and the fastest three competitors in the male category, as follows:

1st - £30

2nd - £20

3rd - £12

There will also be a cash prize of £30 for the fastest female Veteran and the same for the fastest male Veteran.

The fastest veteran (in each gender category) will **not** be eligible for the positional cash prizes for the fastest three competitors in the female/male categories (as detailed above). However, any such cash prize that would have been awarded to the fastest female or male Veteran had they been eligible for the same **will not** be reallocated to the next fastest rider in

the relevant gender category but will go unawarded.

For example, if the fastest Veteran in the male gender category is also the second fastest male overall, then he will be awarded £30 as fastest male Veteran but he will not also be awarded a positional cash prize as second fastest male overall. The fastest male overall will receive a positional cash prize of £30 and the third fastest male overall will receive a positional cash prize of £12. The positional cash prize of £20 for second fastest male overall will not be awarded.

Similarly, if the fastest Veteran in the female gender category is also the fastest female overall, then she will be awarded £30 as fastest female Veteran but she will not also be awarded a positional cash prize as fastest female overall. The second fastest female overall will receive a positional cash prize of £20 and the third fastest female overall will receive a positional cash prize of £12. The positional cash prize of £30 for fastest female overall will not be awarded.

Please note that prizes will not be awarded on the day. We will instead contact the winning competitors as soon as reasonably practicable following the event to make the awards.

NOTES TO COMPETITORS:

17. Signing-on Sheet and Signing-out Sheet

(a) The competitors in all types of events must make themselves aware of any special safety instructions for the event and sign the official signing-on sheet when collecting their number.

(b) In Type A events a competitor must return to the event HQ either during the event or within a reasonable time after the last rider has finished the event and must (i) return their race number(s); and (ii) sign the official signing-out sheet. A rider who fails to so sign the official signing-out sheet shall be recorded as DNF.

This event may be subject to a Doping Control As soon as you have finished you should return to the event HQ as it is your responsibility to check if you are required for Doping Control. Race numbers required for Doping Control will be displayed at the HQ adjacent to the result board. If your number is displayed you should report immediately to Doping Control which will be nearby. Remember, it is up to you to check and ensure that you comply. If required you must report to Doping Control after finishing without delay.
