## Headquarters

### Event HQ and Parking

Please allow extra time to sign-on due to Covid Restrictions still being in place.

Sign-On will open at 12:00

Sign-On will either be in the hall or weather permitting in the car park.

**Please bring your own pen to sign-on with and safety pins for your number.**

**There will be no toilets available at HQ.**

The event headquarters is at Arkendale Community Hall, [51 Moor Lane, Arkendale HG5 0QT](#).

Please remember to return your number when you return to sign back in – this is a CTT requirement.

There is a car park opposite the HQ which opens out into a field. We have been given special access to this field by the owners, it is usually used for their horses so be respectful of this area and remove all rubbish before departing. Sharing lifts, or travelling by train will reduce congestion in the village and do not park on verges in the village. Do not park in the Blue Bell car park, this is for patrons only and there is no parking at the START LINE

REMEMBER!!! CTT Regulations require you to sign out from this ride at the HQ. Failure to do so will result in a DNF.

### Route from HQ to start

Getting to the Start

It is approximately 1.5 miles from the HQ to the start, so allow plenty of time to get there. From HQ turn left and proceed along Marton Lane to A168. Turn right, when safe to do so and join the A168.

The start is on the left in about ½ mile at the entrance to Rabbit Hill Park (HG5 0RB) There is NO PARKING at the start or finish. The Rabbit Hill Business Park/Cafe will be in use and some cars will be turning in here so be mindful of this when coming to the start and do not congregate in this area. Please do not interfere with the timekeepers duties by talking to them at the start or by asking them for your times at the end.

### Course details

V212 Start approx 3.5 miles south of Boroughbridge in entrance to A168 from old A1 (now a long lay-by) at a point approx 1 yard before "Clearway" sign. Turn left on to A168 and proceed to Walshford roundabout (4.72 miles). Encircle roundabout and retrace along A168 to

**Arkendale Road, to finish adjacent to central bollard at a red paint mark.**

## Local regulations

### Safety

Please carefully read the risk assessment for the course which will be displayed at the HQ. Safety, not performance is the first priority. Any dangerous behaviour on the course will be reported.

In the interests of your own safety Cycling Time Trials strongly advise you to wear a HARD SHELL HELMET that meets an internationally accepted safety standard. In accordance with Regulation 15 junior competitors must wear protective HARD SHELL HELMETS. It is recommended that a working rear light, either flashing or constant, is fitted to the machine in a position visible to following road users and is active whilst the machine is in use. When riding, give priority to traffic from your right; signal clearly to other road users the course you intend to take.

Marshals will be positioned at major road junctions and at roundabouts to aid the rider and are not there to stop traffic.

### Doping Control

This event may be subject to a Doping Control. When you return to HQ to sign back in, it is your responsibility to check if you are required for Doping Control. Race numbers required for Doping Control will be displayed at the HQ adjacent to the result board. We hope that you will all continue to ride safely, healthily and without use of performance drugs.

### Course Photography

Some Otley Club members will take photographs on the course and these will be uploaded after the event to a shared album. If you have photographs taken by your friends and family please do share after the event.

### New Riders

We are delighted that there are many riders who are giving time trialling a go at this event. We encourage you to read the guidance for new riders on the CTT website <https://www.cyclingtimetrials.org.uk/articles/view/28>

I am sure all our experienced riders will show you tolerance and be supportive to you so that you will want to continue with this addictive sport

**There will be no access to the hall before or after the event.**

**Results will be emailed round as early as possible.**
