## Local regulations

Strictly no warming up on the course, this is to be encouraged on the road towards Brotherlee ( with caution as this is a narrow road ) or on a turbo in the layby near the Ford just before the start line. Please allow plenty of time before your start, a marshall and helper will be at the bottom along with the time keeper. Once finished, please take care returning down the bank as the descent can be tricky in testing conditions. Time and placing will only be confirmed at HQ post race. We strongly encourage supporters to our inaugural Hill Climb event to line the course, parking off the road at either the top or bottom and walking to a good viewing point.
