02/06/2024 07:01

D25/6A

Promoted for and on behalf of Cycling Time Trials under its rules and regulations.

Headquarters

Headquarters are at Dodleston Village Hall, Pulford Ln, Dodleston, Chester CH4 9NN

Rollers / Turbos should not be used for warm up in Dodleston Village and warm ups must be carried out on roads in the surrounding area. It is approx 4.5 miles from the HQ to the startline.

There is some parking at the event HQ and in the Church Car Park opposite. This is a residential area so please keep the noise to a minimum and when wishing to warm up please do so away from the HQ and the Village in general.

Route from HQ to start

The shortest route to the startline is 4.5 miles. Following Church lane out of the Village towards Chester Via Balderton. You will reach a T Junction at Lache lane where you need to turn right, again following for Chester. You will go over a railway crossing to a roundabout. Take the second exit off the roundabout to Rough Hill. Follow Rough Hill until you reach the traffic lights at the junction with the A483. There is a crossing there to take you safely to the other side and then you are on Dual carriageway. Follow the dual carriageway away from Chester, go through the traffic lights onto the main Chester - Wrexham Road (A483) and continue for about 2 miles until you reach a large layby. There is a sign for the Welsh Border at the layby and you should see other riders and the starter / timekeepers there. You can not continue past the layby. You can not use the layby to park your vehicles for the event or for rollers for warming up. All of your warmups need to take place prior to going onto the A483. If you pass the startline you will have to ride to the next jnc and follow the Old Wrexham Road to get back to the start. (Approx 6 miles).

Course details

The Chester Road Club 25 mile TT will be held on a new course this year.

On the D25/6a A483 - Starting on the southbound carriageway a few miles from Chester City Centre, you will set off from a lay-by just over the Welsh border and head South via Wrexham for circa 11.5 miles where you will drop off the carriageway at the Rhuabon / Overton turn off, head under the carriageway and rejoin the northbound side heading back towards Chester.

Passing the startline then another couple of miles to the finish situated at the roadside 250 metres before the traffic lights at the junction with the (Old) Wrexham Road.

Riders then need to continue through the lights (if not on red) and take the next left turn where you can head back to HQ at Dodleston Village Hall.
